## Greenguard Product Guide

### LifeSPACE™

**Certification No:**  
F10Mw92514-1

[Printable Greenguard Certificate](#)

LifeSPACE™ is a built to suit, moveable wall that displaces the need for conventional construction. LifeSPACE™ is designed to promote flexibility and freedom. Its broad range of architectural options, its responsiveness to change, and the way it proves cost-effective with every adaptation make LifeSPACE™ easy to plan with. LifeSPACE™ materials and features are scalable, providing the ability to create walls, from mailrooms to conference rooms to private offices. Our variety of options makes it easy to adjust to virtually any corporate culture. At the same time, a broad range of finishes allows LifeSPACE™ to easily match the design intent of any client in achieving their unique look and feel.
